6th
August 2010

Dear Parent/Guardian,

The Junior Club registration day for **Minis** will be on **Saturday 4th September 2010 between 9.30 am and 10.45 am**. There will be a short practice as usual on the day.

NOTE: Players should be collected at 11:00 am on the morning of registration.

Registration for **U-13, U-15, U-17 & U-19** will be on **Thursday 2nd September 10 between 6.30pm and 8.00pm**.

Enclosed is an application form, which to save time, should be completed and brought with you to registration.

It is extremely important that all players register on the day for the following reasons:

1. We have achieved the IRFU Ulster Branch Silver award, which requires that we have contact details for parents/guardians of all players. **(Players who have not completed the membership form by 16th October 10 will not be permitted to travel to away matches)**
2. Players need to be registered with the IRFU Ulster Branch.
3. It is very important that our coaches have contact and medical details for all players.

We would appreciate it if as many parents as possible attend the registration day, but if this is not possible please complete the enclosed application form and return it, with the correct subscription to the above address before the 18th September 10.

Also enclosed is a permission slip for away matches, which should be signed and returned.

Our membership numbers are increasing and as a result we always need more coaches. If you are interested in helping please contact any of the coaches. We will be grateful if you could help and delighted to arrange attendance at coaching courses if required.

We hope to see you at registration and look forward to the new season.

Yours sincerely

Rodney Reid
(Hon. Secretary)

BANBRIDGE JUNIOR RUGBY FOOTBALL CLUB

Information for parents and guardians of junior rugby players.

Season 2010-2011

Banbridge Junior Rugby Football Club will provide facilities for training, matches, transport and accommodation etc. for the development of junior rugby.

In order that this is successful players will be required to behave in an appropriate manner at all times for their own safety and that of others.

It is important that parents/guardians support both the principles of good discipline and behavior and also the club coaches in carrying out their duties.

On practice **Saturdays** Mini and Maxi players should not arrive at the clubhouse before **9:30am** and they should be collected no later than **11:45am**. The Club will have no responsibility whatsoever if parents/guardians are late collecting their children and the relevant coach will be free to leave.

No player will be allowed to play or practice up an age group without written permission from their parent/guardian.

We would point out that as there is only one set of showers in the club, U-13, U-15, U-17 & U-19 teams may be using the showers at the same time as the Minis and Maxis are in the changing rooms. If parents/guardians perceive this to be a problem they should inform their children and the relevant coach accordingly.

Whilst recommended, it is not Club policy to insist on the wearing of gum shields or head protectors and coaches are not responsible for ensuring that players wear their protective gear. Rugby is a rough and tough contact sport and players of different weight and sizes may be playing against each other.

Below is a list of club officers and coaches. If you have any queries please contact them.

The junior club membership rules, child protection policy, data protection policy, the information below and other relevant items of news are available on the web site. www.banbridgerfc.com

For anyone who cannot access the website the information is available by written request to the secretary.

PERMISSION SLIP

2010-2011 Season

I give permission for my child/children listed below to travel to and participate in away matches throughout the season. (A separate permission will be required if overnight stays are involved).

I agree that the onus is on the parent/guardian to ascertain the estimated time of return from the match. It is acknowledged that the return time is only an estimate and I agree it is therefore the parent/guardians obligation to confirm a more accurate return time with the coaches and / or child and collect their children promptly upon return to the club.

I will inform the Honorary Secretary of any important changes in my child's/children's health and medication requirements and of any change to contact details.

In the event of illness or accident, having parental responsibility for the named children, I give permission for first aid to be administered where considered necessary by a trained first aider, if available or medical treatment to be administered by a suitably qualified practitioner.

If I cannot be contacted and my child should require emergency hospital treatment, I authorise an adult leader to sign on my behalf any written form of consent required by the hospital. However I understand that every effort will be made to contact me as soon as possible.

I confirm the details on the attached membership form are correct to the best of my knowledge.

A duplicate of this form is available on request.
